Power of Intention Group

FREE

Development meeting

You are invited!

If you are one of us that believe that the power of intention changes lives, you will love this! I will be hosting an event, in person, to get this started and then later we will be able to meet via zoom or email. This group will be developed simply for the purpose of sending intention to anyone that needs healing in any area of their life. We will begin with our own group as our first subjects.

Backed by scientific studies, these groups have proven to be beneficial for those receiving and giving of the intentions. Our first meeting will be all about how to apply our intentions, set dates and times to do it at the same time and pick our subjects. There is no cost for joining this group. If you live outside of Casper Wyoming, we will be including you after establishing our protocol with our base group.

I look forward to hearing from all of you!

Sincerely,
Lorrie
